Summary of Workshop Evaluation Fundamentals in Basic Econometrics: Theory and Applications in Environmental Economics Dhulikhel, Nepal 18th Feb. - 5th March 2008

Part 1: Overall Evaluation

S.N	Questions	Respondents Grades					
		Low		High			
		1	2	3	4	5	
1.	Course added to my knowledge in Econometrics				1	17	
2.	The infrastructure arrangements were just right			1	4	13	
3.	The secretariat provided adequate support for the course				3	15	
4.	The secretariat staff responded to the requests efficiently and satisfactorily				1	17	
5.	The secretariat staff treated participants in a friendly manner and did not embarrass them				1	17	
6.	The secretariat staff invites respect through behavior and general appearance.				2	16	

Part 2: Module Evaluation

S.N	Questions	Respondents Grades						
Module 1: Matrices, Probability Distribution and Introduction to Ecotrix		Low				High		
		1	2	3	4	5		
1.	The module provided a good review of the subject matter.			4	4	11		
2.	The lectures were appropriate given the topic		2	2	3	12		
3.	The readings were relevant		1	1	8	9		
4.	The level of difficulty of the readings was just right			1	11	7		

Assignments were relevant		1	3	5	10
Level of difficulty of the assignment was just right			6	5	8
2: Basic Econometrics					
The module provided a good review of the subject matter.			1	6	13
The lectures were appropriate given the topic			1	4	15
The readings were relevant		1	1	9	9
The level of difficulty of the readings was just right			5	5	10
Assignments were relevant			1	6	13
Level of difficulty of the assignment was just right			3	7	10
3: Dummy Dependent Variables and Advanced Distributions					
The module provided a good review of the subject matter.				6	13
The lectures were appropriate given the topic				3	16
The readings were relevant				9	10
The level of difficulty of the readings was just right			1	9	9
Level of difficulty of the assignment was just right			1	4	14
	Level of difficulty of the assignment was just right 2: Basic Econometrics The module provided a good review of the subject matter. The lectures were appropriate given the topic The readings were relevant The level of difficulty of the readings was just right Assignments were relevant Level of difficulty of the assignment was just right 3: Dummy Dependent Variables and Advanced Distributions The module provided a good review of the subject matter. The lectures were appropriate given the topic The readings were relevant The level of difficulty of the readings was just right	Level of difficulty of the assignment was just right 2: Basic Econometrics The module provided a good review of the subject matter. The lectures were appropriate given the topic The readings were relevant The level of difficulty of the readings was just right Assignments were relevant Level of difficulty of the assignment was just right 3: Dummy Dependent Variables and Advanced Distributions The module provided a good review of the subject matter. The lectures were appropriate given the topic The readings were relevant The level of difficulty of the readings was just right	Level of difficulty of the assignment was just right 2: Basic Econometrics The module provided a good review of the subject matter. The lectures were appropriate given the topic The readings were relevant The level of difficulty of the readings was just right Assignments were relevant Level of difficulty of the assignment was just right 3: Dummy Dependent Variables and Advanced Distributions The module provided a good review of the subject matter. The lectures were appropriate given the topic The readings were relevant The level of difficulty of the readings was just right	Level of difficulty of the assignment was just right 2: Basic Econometrics The module provided a good review of the subject matter. The lectures were appropriate given the topic The readings were relevant The level of difficulty of the readings was just right Assignments were relevant Level of difficulty of the assignment was just right 3: Dummy Dependent Variables and Advanced Distributions The module provided a good review of the subject matter. The lectures were appropriate given the topic The readings were relevant The level of difficulty of the readings was just right The lectures were appropriate given the topic The readings were relevant The level of difficulty of the readings was just right	Level of difficulty of the assignment was just right 2: Basic Econometrics The module provided a good review of the subject matter. The module provided a good review of the subject matter. The lectures were appropriate given the topic The readings were relevant The level of difficulty of the readings was just right Assignments were relevant Level of difficulty of the assignment was just right 3: Dummy Dependent Variables and Advanced Distributions The module provided a good review of the subject matter. The lectures were appropriate given the topic The readings were relevant The readings were relevant The readings were relevant The lectures were appropriate given the topic The lectures were appropriate given the topic The lectures were relevant The readings were relevant The level of difficulty of the readings was just right The level of difficulty of the readings was just right The level of difficulty of the readings was just right The level of difficulty of the readings was just right The level of difficulty of the readings was just right The level of difficulty of the readings was just right The level of difficulty of the readings was just right The level of difficulty of the readings was just right The level of difficulty of the readings was just right The level of difficulty of the readings was just right The level of difficulty of the readings was just right The level of difficulty of the readings was just right
