5.	Improving your ability to present your research ideas			1	1	9
6.	Ability of the faculty to provide you with the required advice				2	9
7.	Extent to which the content of this activity matched the announced objectives					
7.	Any other comments you would like to make <ul style="list-style-type: none"> <li>• I think this was a wonderful workshop for researchers like us. It is difficult to get such environment back home in Bangladesh. This is an excellent opportunity to let a researcher grow and produce something very useful.</li> <li>• Priya's presentation on research proposal was very nice. Instead of keeping that event in the last day, it should be in the first day so that we can incorporate all the important components in the proposal.</li> <li>• It was really a great opportunity for the research and development of environmental economics in South Asia.</li> <li>• Since this was a research workshop, participants need access to internet very often. Here there was no internet at all. Please make arrangements for internet access for participants.</li> <li>• Workshop was very profitable for me and it has benefitted the capacity building of my country.</li> <li>• Workshop was very much effective for us. I think that the reviewers comment should be sent to us beforehand.</li> </ul>
