

Brief programme

International Conference on

Development and Environmental Economics: SANDEE@25

12–14 December 2025 | Hotel Himalaya, Pulchowk, Lalitpur

All timestamps are in Nepal Standard Time (NPT)

Programme summary					
Time (NPT)	Day 01 Friday, 12 December 2025	Time (NPT)	Day 02 Saturday, 13 December 2025	Time (NPT)	Day 03 Sunday, 14 December 2025
08:30–09:00	Registration	08:30–09:00	Registration	08:30–09:00	Registration
09:00–10:30	Dissemination workshop on ‘Economics of forest restoration as carbon mitigation and Nature- based Solutions in South Asia’ Moderator: Mani Nepal (Open for all SANDEE@25 participants) Hall: Himalaya Grand Ball Room	09:00–10:15	Our common(s) heritage: Contributions of development and environmental economics Keynote by Ruth Meinzen-Dick , Senior Research Fellow Emeritus, IFPRI Moderator: E Somanathan Hall name: Himalaya Grand Ball Room	09:00–10:30	Living in the age of adaptation: New challenges and new responsibilities for knowledge Keynote by Adil Najam , President, Worldwide Fund for Nature; Professor, Boston University Moderator: Jeffrey Vincent Hall: Himalaya Grand Ball Room
		10:15–11:00	Bank lending in agricultural sector in Nepal: Issues and opportunities Keynote by Biswo Nath Poudel , Governor, Nepal Rastra Bank Moderator: Mani Nepal Hall: Himalaya Grand Ball Room	10:30–10:45	Vote of thanks By David Potter Hall: Himalaya Grand Ball Room
10:30–11:00	Photo session Tea/coffee break	11:00–11:15	Tea/coffee break	10:45–11:00	Tea/coffee break

11:00–12:30	Panel discussion on ‘Economics of forest restoration as carbon mitigation and Nature-based Solutions in South Asia’ Moderator: Soumya Balasubramanya (Open for all SANDEE@25 participants) Hall: Himalaya Grand Ball Room	11:15–12:45	Panel A1 Knowledge networks in times of climate change Moderator: Pranab Mukhopadhyay Hall: Himalaya Grand Ball Room	11:00–12:30	Panel B1 The economics of springshed management and springs restoration in the HKH Moderator: Sarala Khaling Hall: Himalaya Grand Ball Room
			Panel A2 Potential for scaling electric cooking in Nepal Moderator: E. Somanathan Hall: Rato Baithak		Panel B2 Harnessing big data and digital technologies for economic development in the HKH Moderator: Birendra Bajracharya Hall: Rato Baithak
			Panel A3 Innovative financing for mountain ecosystem services: Strengthening payment for ecosystem services (PES) mechanisms Moderator: Shweta Bhagwat Hall: Skyline		Panel B3 Landscape resource conservation for improving water availability, building climate resilience, and strengthening ecosystem services: Evidence from India Moderator: S. Madheswaran Hall: Skyline
12:30–13:30	Lunch	12:45–13:30	Lunch	12:30–13:30	Lunch
13:30–14:00	Opening Remarks: Mani Nepal	13:30–15:00	Parallel sessions A1 - A5	13:30–15:00	Parallel sessions C1 - C5

	Welcome Remarks: Pema Gyamtsho Hall: Himalaya Grand Ball Room				
14:00–15:30	Natural capital and the meaning of sustainable development Founder's keynote by Sir Partha Dasgupta , Frank Ramsey Professor Emeritus of Economics, Cambridge University Moderator: Subhrendu Pattanayak Hall: Himalaya Grand Ball Room				
15:30 – 15:40	Book launch SANDEE@25: Reflections, lessons and memories of collective growth				
15:40–16:15	Photo session Tea/coffee break	15:00–15:30	Tea/coffee break	15:00–15:30	Tea/coffee break
16:15–17:45	Reflections panel Moderator: David Potter Hall: Himalaya Grand Ball Room	15:30–17:00	Parallel sessions B1 - B5	15:30–17:00	Parallel sessions D1 - D5
17:45-18:00	SANDEE evaluation and tracer survey results: Ghulam Muhammad Shah Hall: Himalaya Grand Ball Room				
18:30–20:30	Reception dinner				

Full programme

All timestamps are in Nepal Standard Time (NPT)

Day 01 | Friday, 12 December 2025

Time (NPT)	Topic
08:30–09:00	Registration
09:00–10:30	Dissemination workshop on Economics of forest restoration as carbon mitigation and Nature-based Solutions in South Asia Moderator: Mani Nepal (Open for all SANDEE@25 participants) Hall: Himalaya Grand Ball Room
10:30–11:00	Photo session Tea/coffee break
11:00–12:30	Panel discussion on Economics of forest restoration as carbon mitigation and Nature-based Solutions in South Asia Moderator: Soumya Balasubramanya (Open for all SANDEE@25 participants) Hall: Himalaya Grand Ball Room
12:30–13:30	Lunch
13:30–14:00	Conference kick-off Hall: Himalaya Grand Ball Room Opening Remarks Mani Nepal, Senior Programme Coordinator–SANDEE, ICIMOD Welcome Remarks Pema Gyamtsho, Director General, ICIMOD
14:00–15:30	Founder's keynote Hall: Himalaya Grand Ball Room

	Natural capital and the meaning of sustainable development Sir Partha Dasgupta, Frank Ramsey Professor Emeritus of Economics, Cambridge University, UK Moderator: Subhrendu K Pattanayak, Oak Professor of Environmental and Energy Policy, Duke University, USA
15:30 – 15:40	Book launch SANDEE@25: Reflections, lessons and memories of collective growth
15:40–16:15	Photo session Jitendra Raj Bajracharya, Photographer/ Photo Editor, ICIMOD Tea/coffee break
16:15–17:45	Reflections panel Hall: Himalaya Grand Ball Room Moderator: David Potter, Head of Regional Action and Global Advocacy, ICIMOD
17:45 – 18:00	SANDEE evaluation and tracer survey results Hall: Himalaya Grand Ball Room Ghulam Muhammad Shah , Impact Monitoring and Evaluation Specialist, ICIMOD
18:30–20:30	Reception dinner

End of Day 1

Day 02 | Saturday, 13 December 2025

Time (NPT)	Topic
08:30–09:00	Registration
09:00–10:15	<p>Keynote 02 Hall: Himalaya Grand Ball Room</p> <p>Our common(s) heritage: Contributions of development and environmental economics Ruth Meinzen-Dick, Senior Research Fellow Emeritus, IFPRI Moderator: E Somanathan, Professor, Economics and Planning Unit, Indian Statistical Institute</p>
10:15–11:00	<p>Keynote 03 Hall: Himalaya Grand Ball Room</p> <p>Bank lending in agricultural sector in Nepal: Issues and opportunities Biswo Nath Poudel, Governor, Nepal Rastra Bank Moderator: Mani Nepal, Senior Programme Coordinator – SANDEE, ICIMOD</p>
11:00–11:15	Tea/coffee break
	Panel sessions A1 – A3
11:15–12:45	<p>Panel A1 Hall: Himalaya Grand Ball Room</p> <p>Knowledge networks in times of climate change Moderator: Pranab Mukhopadhyay, Senior Professor, Goa University, India</p>
	<p>Panel A2 Hall: Rato Baithak</p> <p>Potential for scaling electric cooking in Nepal Moderator: E Somanathan, Professor, Economics and Planning Unit, Indian Statistical Institute, India</p>

	<p>Panel A3 Hall: Skyline</p> <p>Innovative financing for mountain ecosystem services: Strengthening PES mechanisms Moderator: Shweta Bhagwat, Senior Specialist – Nature-based Solutions and Climate Finance, IORA Ecological Solutions</p>
12:45–13:30	Lunch
	Parallel Sessions A1 – A5
13:30–15:00	<p>Parallel session A1 Hall: Himalaya Grand Ball Room</p> <p>Technology and sustainability in agriculture Chair: Soumya Balasubramaniya, Senior Economist, The World Bank Washington, USA</p>
	<p>Economic incentives for artificial intelligence-based digital technologies for sustainable agriculture Presenter: Madhu Khanna, Co-Director, Center for Economics of Sustainability University of Illinois, USA Discussant: Soumya Balasubramaniya, Senior Economist, The World Bank, Washington, USA</p>
	<p>Climate-smart agricultural innovations: Policy frameworks for adaptation, mitigation, and technology diffusion Presenter: V Saravanakumar, Professor, Agricultural Economics, Tamil Nadu Agricultural University, India Discussant: Abid Hussain, Economies lead, ICIMOD</p>
	<p>Enhancing food security through food security of farmers: A look at how to implement commercial and organic farming among smallholder farmers Presenter: Tshotsho, Lecturer, Department of Sustainable Development, College of Natural Resources, Royal University of Bhutan, Bhutan Discussant: Pawan Kumar Sharma, Professor and Head of Department (Agricultural Economics), Sher-e-Kashmir University of, Agricultural Sciences & Technology of Jammu (J&K), India</p>
13:30–15:00	<p>Parallel session A2 Hall: Skyline</p> <p>Climate policies and livelihoods Chair: Sarala Khaling, Head of resilient economies and landscapes, ICIMOD</p>
	<p>The public's views on climate policies in seven large global south countries Presenter: Thomas Sterner, Professor, Environmental Economics, University of Gothenburg, Sweden Discussant: Ashish Tiwari, Air lead, ICIMOD</p>

	<p>Does climate vulnerability drive public health spending? Evidence from South and Southeast Asia (2000–2022) Presenter: Mohammad Iftekharul Islam, Research Associate, South Asian Network on Economic Modeling (SANEM), Dhaka, Bangladesh Discussant: Lubna Naz, Professor and Director, Center for Business and Economic Research (CBER), IBA, Karachi, Pakistan</p>
	<p>Climate risk and tribal livelihoods in central India: Assessment of institutional welfare schemes and tribal resilience Presenter: Mohanasundari Thangavel, Associate Professor, Indian Institute of Technology Indore, Madhya Pradesh, India Discussant: Sarala Khaling, Head of resilient economies and landscapes, ICIMOD</p>
13:30–15:00	<p>Parallel session A3 Hall: The Regent</p>
	<p>Environmental sustainability: Methods and issues Chair: AK Enamul Haque, Director General, Bangladesh Institute of Development Studies (BIDS), Bangladesh</p>
	<p>Methodological issues in empirical research in environmental and development economics Presenter: Jean Marie Baland, Professor, Department of Economics, University of Namur, Belgium Discussant: AK Enamul Haque, Director General, Bangladesh Institute of Development Studies (BIDS), Bangladesh</p>
	<p>Trodding through environmental and sustainability issues since the 1990s: a reflection Presenter: Sajjad Zohir, Executive Director, Economic Research Group (ERG), Dhaka, Bangladesh Discussant: Heman Das Lohano, Visiting Professor, Department of Applied Economics, University of Minnesota, USA</p>
13:30–15:00	<p>Parallel session A4 Hall: Green Room</p>
	<p>Environmental health Chair: Bhim Adhikari, Senior Program Specialist, International Development Research Centre (IDRC), Canada</p> <p>A nature-based solution? Evaluating a health care provider nature exercise prescription using a pilot RCT data from rural Oregon, USA Presenter: Randall Bluffstone, Professor of Economics and Director, Institute for Economics and the Environment, Portland State University, USA Discussant: Pallab Mozumder, Department of Economics, Department of Earth and Environment, Florida International University, USA</p>

	<p>Society's willingness to pay for less health risks by pesticide use: A case study Presenter: Prema A, Professor and Head, Department of Agricultural Economics, Kerala Agricultural University, India Discussant: Bhim Adhikari, Senior Program Specialist, International Development Research Centre (IDRC), Canada</p> <p>Can female leaders promote better health behaviour? Learning from a sanitation-and-hygiene communication experiment in rural Bangladesh Presenter: Atonu Rabbani, Professor, Department of Economics, University of Dhaka Discussant: Bishal Bharadwaj, Research Associate, Global Research Initiative, University of Calgary, Canada</p>
13:30–15:00	<p>Parallel session A5 Hall: Rato Baithak</p> <p>Forest and livelihoods Chair: Lucy Emerton, Director, Conservation Economics and Finance, Environment Management Group, Sri Lanka</p> <p>Effects of organised guarding on mortality from human-elephant conflict in Northeast India Presenter: E Somanathan, Professor, Economics and Planning Unit, Indian Statistical Institute, India Discussant: Lucy Emerton, Director, Conservation Economics and Finance, Environment Management Group, Sri Lanka</p> <p>Assessing the livelihood Impacts of non-governmental organisation-led forest restoration in village common forests: A case study Presenter: Md Shafiqul Bari, Vice-Chancellor, EXIM Bank Agricultural University Bangladesh, Bangladesh Discussant: Abul Kalam Azad, Senior Intervention Manager - Livelihoods and Enterprises, ICIMOD</p> <p>Government support for tree-growing by farmers: Evidence from India's agroforestry programmes Presenter: Chandan Singha, Associate Professor, Hindu College, University of Delhi, India Discussant: Prabath Nishantha Edirisinghe, Retired Conservator General of Forests, Department of Forest Conservation, Sri Lanka</p>
15:00–15:30	Tea/coffee break
15:30–17:00	<p>Parallel sessions B1 – B5</p> <p>Parallel session B1 Hall: Skyline</p> <p>Forest conservation and management</p>

	Chair: Jeffrey Vincent, Clarence F. Korstian Professor of Forest Economics and Management, Duke University, USA
	Community forest management: Unveiling the success story of Nepal Presenter: François Libois, Professor, Research Fellow and Professor, Paris School of Economics & Institut national de recherche pour l'agriculture, l'alimentation et l'environnement (INRAe), France Discussant: Jeffrey Vincent, Clarence F. Korstian Professor of Forest Economics and Management, Duke University, USA
	Dynamics of Community Forest User Group (CFUG) creation and spillover effects in Nepal's community forestry Presenter: Marine Gueben, PhD candidate, University of Namur, Belgium Discussant: Rajesh Kumar Rai, Professor, School of Forestry and Natural Resource Management, Tribhuvan University, Nepal
	What is a good mountain forest? and for whom? Presenter: Dil Bahadur Khatri, Executive Director and Senior Researcher, Southasia Institute of Advanced Studies (SIAS), Kathmandu, Nepal Discussant: Sony Baral, Assistant Dean, Institute of Forestry, Tribhuvan University, Nepal
15:30–17:00	Parallel session B2 Hall: Green Room
	Environmental valuation Chair: Ram Chandra Bhattarai, Associate Professor of Economics, Tribhuvan University, Nepal
	Valuing the complementarity under integrated farming systems– the case of Pokkali Presenter: Indira Devi, Professor, Kerala Agricultural University, India Discussant: Ram Chandra Bhattarai, Associate Professor of Economics, Tribhuvan University, Nepal
	Cleaner lakes at a price: Farmers' willingness to accept compensation for reducing chemical inputs in Myanmar's floating agriculture Presenter: Yarzar Hein, Professor and Head of Department, Advanced Center for Agricultural Research and Education, Myanmar Discussant: Kavita Sardana, Visiting Faculty of Economics, Ashoka University, India
	Consumers' preference and willingness to pay for Nepalese large cardamom in the global market Presenter: Rishi Ram Kattel, Professor, Agriculture and Forestry University (AFU), Nepal Discussant: Rajan Parajuli, Associate Professor, North Carolina State University, USA
15:30–17:00	Parallel session B3 (Hall: The Regent)
	Environmental Governance I Chair: Bishwa Nath Tiwari, Professor of Economics, Tribhuvan University, Nepal

	<p>Valuing ecosystem assets for ecosystem accounting in the Gunbower-Koondrook-Perricoota (GKP) forest icon site in Australia Presenter: Ram Pandit, Associate Professor, The University of Western Australia, Australia Discussant: Bishwa Nath Tiwari, Professor of Economics, Tribhuvan University, Nepal</p>
	<p>Assessing tourism governance and ecological integration in mountain regions: Insights from Gilgit-Baltistan Presenter: Amjad Ali, Assistant Professor, Department of Development Studies, Karakoram International University, Pakistan Discussant: Muhammad Rafiq, Member (Climate Finance), Pakistan Climate Change Authority, Pakistan</p>
	<p>Beyond access: Institutional dynamics and farmer preferences in groundwater markets in semi-critical regions of India Presenter: Akshi Bajaj, Assistant Professor School of Business, University of Petroleum & Energy Studies (UPES), Dehradun Discussant: Eshita Gupta, Senior Economist, Klynveld Peat Marwick Goerdeler (KPMG), Gurugram, India</p>
	<p>Can polycentric and adaptive approaches strengthen environmental governance in the Maldives? Presenter: Mohamed Shumais, The Maldives National University, Maldives Discussant: Niraj Prakash Joshi, Associate Professor, The International Development and Cooperation (IDEC) Institute, Hiroshima University, Japan</p>
	<p>Parallel session B4 Hall: Himalaya Grand Ball Room</p>
15:30–17:00	<p>Energy transition Chair: Shreekant Gupta, Professor, Delhi School of Economics, India</p>
	<p>Power sector for the developing Asian Regions by 2050: Modelling the strategic vision Presenter: Joyashree Roy, Distinguished Professor, Asian Institute of Technology (AIT), Thailand Discussant: Shreekant Gupta, Professor, Delhi School of Economics, India</p>
	<p>Can reliable electricity supply drive induction cooktop adoption? Evidence from a randomised experiment in Kathmandu Valley Presenter: Naveen Adhikari, Assistant Professor, Central Department of Economics, Tribhuvan University, Nepal Discussant: Hari Katuwal, Associate Professor, Tarleton State University, USA</p>
	<p>Prepayment and electricity usage in temperature extremes: Implications for energy poverty and climate justice Presenter: Debasish Kumar Das, Lecturer in Economics, The University of New South Wales (UNSW), Canberra, Australia Discussant: Jin Yana, Assistant Professor of Environmental Economics and Policy, Peking University, China</p>
	<p>Response to Incentives to conserve electricity and household behaviour: Evidence from field experiment Presenter: Ngawang Dendup, Consultant (Economist), Asian Development Bank Institute (ADBI) Discussant: Santosh Adhikari, Assistant Professor and Programme Coordinator, Kathmandu University, Nepal</p>

15:30–17:00	Parallel session B5 Hall: Rato Baithak Climate change and agriculture Chair: Saudamini Das, Professor in Economics, Institute of Economic Growth, Delhi, India
	Do institutions, incentives, and information enhance adoption of climate-smart agriculture practices? Empirical evidence from India Presenter: Chandrasekhar Bahinipati, Head, Associate Professor, Indian Institute of Technology Tirupati, India Discussant: Mohammed Ziaul Haider, Professor, Economics Discipline, Khulna University, Bangladesh
	Crop diversification in a flood-affected landscape: Evidence from the Morigaon district of Assam, India Presenter: Monjit Borthakur, Assistant Professor, Department of Geography, Cotton University, India Discussant: Kishor Goswami, Professor of Economics, Indian Institute of Technology, (IIT) Kharagpur, India
	Land fragmentation and non-farm labour supply nexus: Evidence from Nepal Presenter: Prajjwal Dhungana, Research Associate, SANDEE, ICIMOD Discussant: Arjun Dhakal, Convener, Nepal Network for Social, Development, Economic and Environmental Dialogue (NNSDEE), Nepal

End of Day 2

Day 03 | 14 December 2025

Time (NPT)	Topic
08:30–09:00	Registration
09:00–10:30	<p>Keynote 04 (Hall: Himalaya Grand Ball Room)</p> <p>Living in the age of adaptation: New challenges and new responsibilities for knowledge</p> <p>Adil Najam, President, Worldwide Fund for Nature (WWF) International</p> <p>Professor and Dean Emeritus, Boston University, USA</p> <p>Moderator: Jeffrey Vincent, Clarence F. Korstian Professor of Forest Economics and Management, Duke University, USA</p>
10:30–10:45	<p>Vote of thanks</p> <p>Hall: Himalaya Grand Ball Room</p> <p>David Potter, Head of Regional action and global advocacy, ICIMOD</p>
10:45–11:00	Tea/coffee break
	Panel sessions B1 – B3
11:00–12:30	<p>Panel B1</p> <p>Hall: Himalaya Grand Ball Room</p> <p>The economics of springshed management and springs restoration in the Hindu Kush Himalaya (HKH)</p> <p>Moderator: Sarala Khaling, Head of Resilient economies and landscapes, ICIMOD</p>
	<p>Panel B2</p> <p>Hall: Rato Baithak</p> <p>Harnessing big data and digital technologies for economic development in the HKH</p> <p>Moderator: Birendra Bajracharya, Interim Senior Intervention Manager – Regional information service, ICIMOD</p>
	<p>Panel B3</p> <p>Hall: Skyline</p> <p>Landscape resource conservation for improving water availability, building climate resilience, and strengthening ecosystem services: Evidence from India</p> <p>Moderator: S Madheswaran, Professor and Head, Centre for Economic Studies and Policy, Institute for Social and Economic Change</p>
12:30–13:30	Lunch
	Parallel sessions C1 – C5

13:30–15:00	<p>Parallel session C1 Hall: The Regent</p> <p>Household energy choices Chair: Joyashree Roy, Distinguished Professor, Asian Institute of Technology (AIT), Thailand</p> <p>Leveraging local mass media: How FM stations amplify energy access and clean energy use in household Presenter: Bishal Bharadwaj, Research Associate, University of Calgary, Canada Discussant: Joyashree Roy, Distinguished Professor, Asian Institute of Technology (AIT), Thailand</p> <p>Nepal's federal transition and rural household cooking fuel choice Presenter: Hari Katuwal, Associate Professor, Tarleton State University, USA Discussant: Krishna Prasad Pant, Visiting Faculty, Kathmandu University, Nepal</p> <p>Effects of transition from Liquefied Petroleum Gas (LPG) to induction cookstoves in Kerala Anganwadis, India Presenter: Praveen Kumar, PhD, Senior Research Fellow Economics and Planning Unit, Indian Statistical Institute Delhi Discussant: Ngawang Dendup, Consultant (Economist), Asian Development Bank Institute (ADBI)</p> <p>Adopting solar power for irrigation: Implications for groundwater depletion in Gujarat Presenter: Praharsh M Patel, Assistant Professor, Indian Institute of Technology Gandhinagar, India Discussant: Indira Devi, Professor, Kerala Agricultural University, India</p>
	<p>Parallel session C2 Hall: Himalaya Grand Ball Room</p> <p>Issues in water management Chair: Ramesh Ananda Vaidya, Fellow- Senior Advisor (Water and Energy), ICIMOD</p> <p>Groundwater use in South Asia: The role of technology and water-energy-food-poverty nexus trade-offs Presenter: Soumya Balasubramanya, Senior Economist, The World Bank, Washington DC, USA Discussant: Ramesh Ananda Vaidya, Fellow- Senior Advisor (Water and Energy), ICIMOD</p> <p>Urban household's willingness to pay for improved water services Presenter: Niranjana Devkota, Research Fellow, Policy Research Institute, Government of Nepal Discussant: Yarzar Hein, Professor and Head of Department, Advanced Center for Agricultural Research and Education, Yezin Agricultural University, Myanmar</p> <p>Willingness to pay for domestic water in Meghalaya: Impact of water poverty and social structure Presenter: Rida Wanbha Nongbri, Research Scholar, Indian Institute of Technology Madras, India Discussant: Amjad Ali, Assistant Professor, Department of Development Studies, Karakoram International University Gilgit-Baltistan, Pakistan</p>

13:30–15:00	<p>Parallel session C3 Hall: Skyline</p> <p>Environmental governance and growth Chair: Shiva Raj Adhikari, Professor, Central Department of Economics, Tribhuvan University, Nepal</p>
	<p>Discretionary enforcement and strategic compliance experimental evidence Presenter: Shreekant Gupta, Professor, Delhi School of Economics, India Discussant: Resham B. Thapa-Parajuli, Associate Professor, Central Department of Economics, Tribhuvan University, Nepal</p>
	<p>Towards sustainable industrialisation: The effects of eco-innovation in the environmental sustainability performance of the manufacturing Presenter: Sadia Islam, Assistant Professor, Dhaka School of Economics, University of Dhaka, Bangladesh Discussant: Mohamed Shumais, The Maldives National University, Maldives</p>
	<p>Stand characteristics in relation to forest management regimes and disturbance gradients in Tropical Forest Ecosystems Presenter: Mohammad Belal Uddin, Professor, Department of Forestry and Environmental Science, Shahjalal University of Science and Technology, Bangladesh Discussant: To Be Added</p>
13:30–15:00	<p>Parallel session C4 Hall: Rato Baithak</p> <p>Gender and energy transition Chair: Pranab Mukhopadhyay, Senior Professor, Goa University, India</p>
	<p>Electrifying empowerment: Women and energy access Presenter: Subhrendu Pattanayak, Professor, Environmental and Energy Policy, Duke University, USA Discussant: Atonu Rabbani, Professor, Department of Economics, University of Dhaka, Bangladesh</p>
	<p>Impact of indoor air pollution on child well-being Presenter: Heman Das Lohano, Visiting Professor, Department of Applied Economics, University of Minnesota, USA Discussant: Pranab Mukhopadhyay, Senior Professor, Goa University, India</p>
	<p>Women's bargaining power and energy consumption in Myanmar Presenter: Zin Nwe Win, Country Manager, Sierra Leone and Liberia, Innovations for poverty action Discussant: Shiba Satyal Banskota, Gender Equality and Social Inclusion Lead, ICIMOD</p>
13:30–15:00	<p>Parallel session C5 Hall: Green Room</p>

	Environmental pollution Chair: Bhupesh Adhikary, Climate Action Lead, ICIMOD
	Farmers' preferences for different crop residue management practices: Evidence from choice experiment in Punjab, India Presenter: Eshita Gupta, Senior Economist, Klynveld Peat Marwick Goerdeler (KPMG), Gurugram, India Discussant: Bhupesh Adhikary, Climate Action Lead, ICIMOD
	State mediated trade, distortions and air pollution Presenter: Digvijay Singh Negi, Associate Professor, Ashoka University, India Discussant: Mohammad Iftekharul Islam, Research Assistant, South Asian Network on Economic Modeling (SANEM)
	Fire in the fields, crime in the air Presenter: Hardeep Singh, Assistant Professor, Indian Institute of Technology Jammu, India Discussant: Tshotsho, Lecturer, College of Natural Resources, Royal University of Bhutan, Bhutan
15:00–15:30	Tea/coffee break
	Parallel sessions D1–D5
15:30–17:00	Parallel session D1 Hall: Himalaya Grand Ball Room
	Environmental governance II Chair: Yi Shaoliang, Senior Intervention Manager, Rangelands and wetlands, ICIMOD
	Empowering youth through engagement in environmental problem-solving: A case study of the Kutupalong Rohingya Refugee Camp in Bangladesh Presenter: Rumi Shammin, David Orr Professor, Environmental Studies and Sciences Program, Oberlin College, USA Discussant: Yi Shaoliang, Senior Intervention Manager, Rangelands and wetlands, ICIMOD
	Assessing well-being and sustainability of small-scale fishing communities in Nepal Presenter: Thaneshwar Bhandari, Assistant Professor Institute of Agriculture and Animal Science, Tribhuvan University, Nepal Discussant: Indrila Guha, Principal and Head of Department, Department of Economics, Basanti Devi College, India
	Clean fuel use, political representation and forest cover: Evidence from rural India Presenter: Prasenjit Sarkhel, Professor, Department of Economics, University of Kalyani, India Discussant: Monjit Borthakur, Assistant Professor, Department of Geography, Cotton University, Assam, India

15:30–17:00	<p>Parallel session D2 Hall: Skyline</p> <p>Climate adaptation and mitigation Chair: Randall Bluffstone, Professor of Economics and Director of the Institute for Economics and the Environment, Portland State University, USA</p>
	<p>A cross-country and long-term evaluation of United Nations Framework Convention on Climate Change (UNFCCC) climate change adaptation projects Presenter: Saudamini Das, Professor in Economics, Institute of Economic Growth, India Discussant: David Potter, Head of Regional Action and Global Advocacy, ICIMOD</p>
	<p>Quantifying non-economic losses and damages in Sindh post 2022 floods Presenter: Lubna Naz, Professor and Director, Center for Business and Economic Research, Institute of Business Administration Karachi, Pakistan Discussant: Randall Bluffstone, Professor of Economics and Director of the Institute for Economics and the Environment, Portland State University, USA</p>
	<p>Perceived adverse impacts undermine limited socio-economic benefits of resin tapping from Chirpine forests Presenter: Rajan Parajuli, Associate Professor, North Carolina State University, USA Discussant: Kishor Atreya, Associate Professor, Institute of Forestry, Tribhuvan University, Nepal</p>
	<p>The rapid economic recovery from earthquake relief to reconstruction: A case study of the 7 January 2025 Dingri earthquake, Xizang, China Presenter: Bingwei Tian, Associate Professor, Assistant Dean, PhD, The Institute for Disaster Management and Reconstruction (IDMR), Sichuan University, China Discussant: Nirmal Kumar Raut, Associate Professor, Central Department of Economics, Tribhuvan University, Nepal</p>
15:30:15–17:00	<p>Parallel session D3 Hall: The Regent</p> <p>Topics in environmental economics I Chair: Jón Geir Pétursson, Professor Environment and Natural Resources, Interdisciplinary Graduate Programme, University of Iceland, Iceland</p>
	<p>Climate variability and household electricity consumption Presenter: Rosalina Palanca-Tan, Professor, Ateneo de Manila University, Philippines Discussant: Jón Geir Pétursson, Professor Environment and Natural Resources, Interdisciplinary Graduate Programme, University of Iceland, Iceland</p>

	<p>Macroeconomic analysis of green monetary policy in India's emission mitigation: Evidence from Wallace neutrality Presenter: Sayar Ahmad Shah, PhD Scholar, Indian Institute of Technology of Ropar, India Discussant: V Saravanakumar, Professor, Agricultural Economics, Tamil Nadu Agricultural University, India</p>
	<p>Do international remittances enhance credit repay ability and reshape labour supply among households with international migrants in Nepal? Presenter: Sumant Kumar Yadav, master's student, Hiroshima University, Japan Discussant: Gopal Tiwari, General Secretary of Nepal Economic Association</p>
15:30–17:00	<p>Parallel session D4 Hall: Green Room</p>
	<p>Natural disasters Chair: Orapan Srisawalak, Professor Emeritus, Sukhothai Thammathirat Open University, Thailand</p>
	<p>Impact of climatic shocks and coping strategies on livelihood: Evidence from the coastal Bangladesh Presenter: Pallab Mozumder, Associate Professor, Florida International University, USA Discussant: Orapan Srisawalak, Professor Emeritus, Sukhothai Thammathirat Open University, Thailand</p>
	<p>Paved to nowhere: The dubious payoffs of Nepal's rural road expansion Presenter: Santosh Adhikari, Assistant Professor and Program Coordinator, Kathmandu University, Nepal Discussant: Raghu Bir Bista, Associate Professor, Department of Economics, Tribhuvan University, Nepal</p>
	<p>When the rain stops, do rings come early? Rainfall shocks and child marriage in Nepal Presenter: Adish Karki, undergrad student (Senior), Kathmandu University, Nepal Discussant: Ratna Kumar Jha, Research fellow, Food and Agriculture Organization, United Nations, Nepal</p>
	<p>Shadows of shock: Natural disasters and the dynamics of economic growth and recovery in South Asian countries Presenter: Abina VP, PhD Scholar, Institute for Social and Economic Change, India Discussant: Ridish Pokharel, Professor of Forestry, Tribhuvan University, Nepal</p>
15:30–17:00	<p>Parallel session D5 Hall: Rato Baithak</p> <p>Topics in environmental economics II Chair: Gunnar Köhlin, Associate Professor, School of Business, Economics and Law, University of Gothenburg, Gothenburg, Sweden</p>

	<p>SANDEE family from Pakistan@2025: Achievements and leadership development in environment economics Presenter: Khuda Bakhsh, Professor, Cotton University, India Discussant: Gunnar Köhlin, Associate Professor, School of Business, Economics and Law, University of Gothenburg, Sweden</p>
	<p>Effectiveness of fiscal policy for forest conservation and restoration in Indian States Presenter: Amarendra Das, Associate Professor, National Institute of Science Education and Research (NISER), India Discussant: EPN Udayakumara, Professor, Sabaragamuwa University of Sri Lanka</p>
	<p>Consumers' attitude towards food waste reduction and projecting Its econo-environmental benefits Presenter: Tasnim Murad Mamun, Associate Professor, Economics Discipline, Khulna University, Bangladesh Discussant: Yamini Gupt, Professor, University of Delhi, India</p>
	<p>Demand for clean air increases with pollution abatement success Presenter: Jin Yana, Assistant Professor, Peking University, China Discussant: Chandan Singha, Associate Professor, Hindu College, University of Delhi, India</p>

End of Day 3 and the conference
